

# I Spy and More

## I Spy

Play 'I spy' as you go. This is a great way to engage with the environment, is a great learning activity and helps to take notice of the world around us.

Find something and say, **"I spy with my little eye something beginning with....."**

adding the first letter of the word. Others guess the word.

## Shape Detectives Activity

Choose a shape and see how many things you can see that are that shape. Try circle, square, rectangle or triangle. You can try 2D or 3D shapes

## Colour Detectives Activity

Choose a colour and see how many things you can see of that colour. Keep a count and see if you can beat your score next time.
